4-H CLUBS

From city to farm, all across Kansas, families are joining forces to grow great kids. HOW?

4-H clubs let families leverage each other's knowledge to show kids the ropes of life. Whether its practical skills like taking care of pets, growing gardens, or being able to identify bugs and rocks or social skills like helping others and speaking in front of a group. (And you don't have to live in the country or have animals.)
