4-H Innovation Lab is a collaborative effort hosted by the following K-State Research and Extension Units: Central Kansas District, Dickinson, Douglas, Geary, Johnson, Leavenworth, McPherson, Pottawatomie and Riley.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Accommodations for persons with disabilities may be requested by contacting the event contact Kaitlyn Peine two weeks prior to the start of the event (May 20) at 785-843-7058 or kpeine@ksu.edu. Requests received after this date will be honored when it is feasible to do so.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service.
K-State Research & Extension is an equal opportunity employer and provider.
