

THE THELMA HUBBARD MEMORIAL 4-H AWARD

This award is dedicated to Thelma Hubbard, a long time 4-H volunteer. The attributes that made her a well loved volunteer include the way she encouraged people, her willingness to work, and her positive attitude. She had a way of bringing out the best in people and was not judgmental. The person who wins this award should have similar characteristics. This award is not designed to recognize 4-H'ers who have won many prizes; however, it does not exclude them. Rather, it is designed to honor individuals who are genuinely helpful and frequently volunteer for tasks which they see through to their completion. Volunteerism is not limited to 4-H work and may include other types of community service.

This selection process:

- Each 4-H club may nominate one 4-H'er, 12 years of age or older, who will complete this short application and attach two letters of reference.
- The winner will be selected by members of the Pottawatomie County Trips and Awards committee.
- The winner will be announced annually at the 4-H Achievement event and awarded a \$50 U.S. Savings Bond.
- A 4-H'er may only receive this award once.
