4-H Summer Camp at Rock Springs

Over the summer you may have heard about anticipated changes to our state 4-H camp hosted at Rock Springs Ranch. In a kick-off to the new model, all 4-H families should have received a mailer from Rock Springs and Kansas 4-H regarding the new camping model. While there are many changes, at the end of the day it will still be a great 4-H camp experience at Rock Springs with new opportunities and measures to ensure a safe and successful camp. I highly encourage families to read through the information, below are some points to know and links:

General Points to Know
- Purple Power Pack has targeted Camp Session #2 for our 4-H’ers that want to sign-up for the same camp session. Note: This is optional, youth can attend any session
- There is a 10% discount for 4-H youth until Oct. 31st. Registration is still open into the Spring, but you just won’t get the “early bird” discount.
- 10% is due at registration. The rest is paid by May 1st (monthly payments are an option).
- Local Scholarships are being worked on as in years past, pending approval, by sponsors and 4-H Council.

While 4-H camp registration won’t be through our KSRE office, don’t hesitate to reach out with any questions or clarifications. Thank you!

2021-2022 4-H Enrollment

The new 4-H year is almost year (GASP)! That means it’s time for re-enrollment in 4-H online.

Who? 4-H Members and volunteer both need to enroll in 4-H online

When? Beginning Oct. 1st, enrollment will be open! I highly recommend doing soon!

Why Soon? A big reason is, 4Honline is our primary way staying in contact with 4H families (i.e. this newsletter)

Cost? Nothing! 4-H Council and Blue Valley Technologies cover the cost of enrollment

How? 1. Visit v2.4honline.com

2. Existing login and member information has been transferred from the previous system. So only new families/volunteers need to create an account profile.

3. When Selecting payment method, choose "Payment for this invoice will be collected by 4-H Institution". Click confirm, but do not send a check for payment. The fee is covered!

4. The State 4-H office has provided a PDF enrollment guide, it can be found at the link below

Achievement Award and Project Report Season

Award season is here! Below is information that you should know

**Dates**

- October 1st: Award application and Record book deadline
- October 8th: Project Report Judging @ KSRE Offices (volunteers welcome)
- October 20th: Outstanding 4-H’er interviews
- October 24th: Achievement Ceremony at St. Bernard in Wamego

If you have any pictures of club activities, please share them with us, we are looking to find some for a county slideshow! (skuciusd@ksu.edu)

*** Note: Expect to see an RSVP e-mail coming soon for the Achievement Ceremony***

**Forms**

Don’t forget that KS 4-H is using new forms this year for project reports! Find the new forms on our website. On our page is also a link to the state informational page regarding the new forms (they aren’t scary!). You do not need to do a project report form for every project, but we encourage it for the projects you are active and passionate about!

- **Project Report forms**
  - You’ll notice there is no longer a “4-H Story”. This has been replaced by the “Project Reflection” within the report.
  - If you are having trouble with pictures rotating when you insert them, try cropping the photo to landscape dimension. The State is working through this issue on the forms.

- **New Forms PDF Guide**

- **Achievement Forms**
  - Pin applications, club goals, key awards, outstanding 4-H’er, “I Dare You”, Thelma Hubbard memorial, etc.

For award applications, please fill them out to the best of your ability. As with last year, we know that COVID-19 has had an impact at times on what is/is not doable during the last 4-H year. With COVID in mind, Trips and Awards values being able to see a “Valid Effort” while reviewing award applications.

**Project Report Judging**

Judging of Riley county’s record books (who we’re switching with) will be Thursday, October 7th in the Sunflower room. We will beginning at 9 am and going until finished. We can use anyone’s help who would like to join us! It’s a great way to learn more about Project Report Forms. We will provide some snacks, refreshments, and jokes. If you can join, let us know! Btw, you don’t have to be a record book “expert” to participate). (skuciusd@ksu.edu)

**County Officer and Leader Training**

Plans are still coming together regarding club officer and club leader training. We are working once again with other counties to plan a event to help give new, and returning, officers and leaders a time to come together and learn about their roles. Stay tuned.

Parents: Main thoughts for September

- This is a good time to start talking to 4-H’ers about leadership roles they may want to go for! I.e. Ambassador, 4-H Council officer, Trips/Awards member

- If possible, think of ways you can help your local club out as a volunteer. 4-H clubs really do take a village!

- If you have questions about awards, don’t hesitate to ask club leaders or myself (Daniel). The achievements pins can have a learning curve!

- Hand written or typed for record books? Either way works. It’s the content that matters most.

- October will the new 4-H year and enrollment. Start thinking about projects and awards that your 4-H’er may want to pursue next year.

Re-Ignite Your Spark in Kansas 4-H

A Kansas 4-H Volunteer Training

Re-Ignite Your Spark!

Sit and think for a moment. What makes your 4-H role have meaning and purpose? What is something you are passionate about, the hidden flame that motivates you? The *Search Institute* describes this passion as one’s “spark”. Sparks are activities and interests that brings out a person’s energy and joy, allowing them to express their personality and contribute to the world.
