Additional Information

Scheduling: Please note that several project areas are pre-scheduled by class or club this year. Please do not arrive further ahead than necessary for your judging time or linger post-judging. We are wanting to keep our crowd sizes down as low as possible for everyone's safety.

Clothing Construction Judging - Registration - check in the Old Gym (SEE MAP) (between 8:30 and 10:00 a.m.). Bring an entry tag for each article. Please sign-up outside of room 305 for a time. A Superintendent will call your name at the judging time. If not available, they will come back to you.

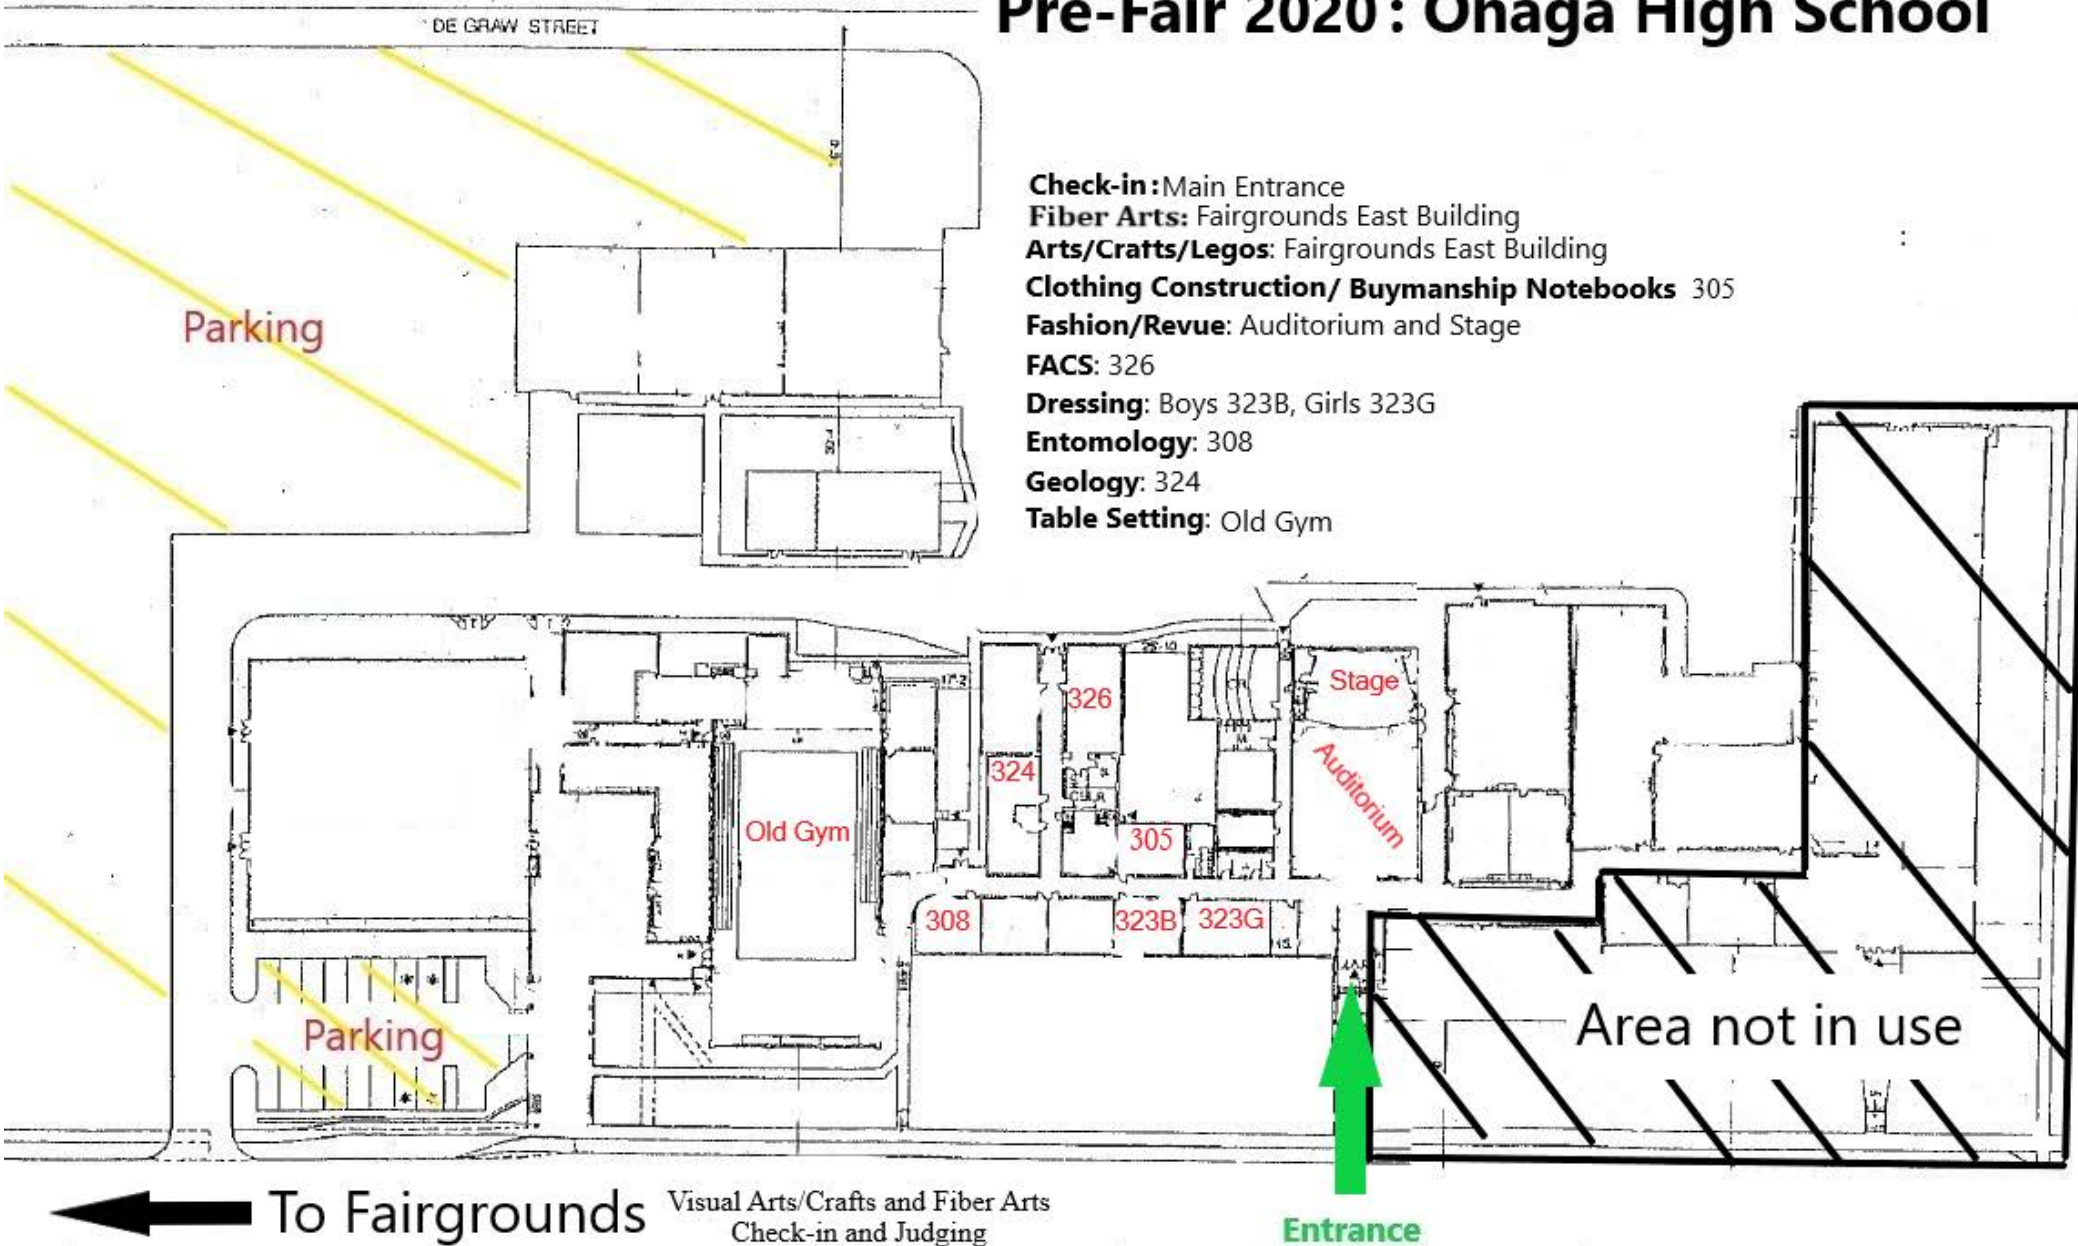

Public Fashion Revue and Awards- Following other fair decisions regarding public events, there will not be a public fashion revue or awards ceremony this year. Instead, we will be taking pictures of youth in their outfits outside of the auditorium for a "Fashion Revue Video" to be posted online. The judge will announce the winners of each age division after all have been judged.

Fashion Revue Judging- Registration check in at the registration table (Old Gym). Record sheets will be used at the conference judging. Participants will go to the judge individually, then in a small group for an overview by the judge. Participants must display their buymanship articles at the fair. Exhibits will need to be on hangers; as they will be hung on clothing racks in the FAIR PAVILION. **(A 3x5 picture of the 4-H'er in the outfit should be attached to the fair exhibit).** No accessories will be included in the Exhibit. During judging times, participants will wait in the audience seating until their turn arrives.
